CERTIFICATES

ABRAJ AL DHAFNA TRADING & CONTRACTING CO.

is an ISO certified company who recognize that construction is not an everyday occurrence for you.

Abraj does excellent work because we know the value of Client's satisfaction. We have learned from our experience that quality craftsmanship plus good planning is the secret of success.

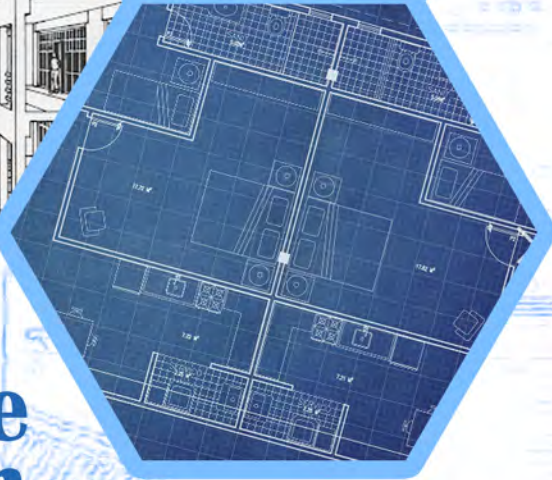

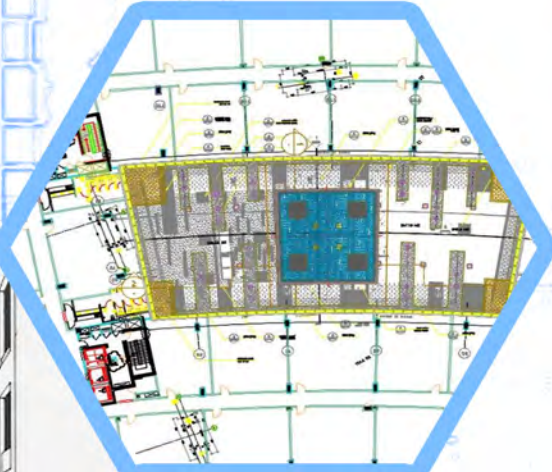

Today businesses operate in an unprecedentedly fluid environment. Every company operating in multiple countries needs a local trusted partner for executing projects.

ABRAJ is one such time tested and trusted business partner of many Multi-National Companies operating in Qatar. We have partnered with many Multi-National Companies to execute many high-profile construction projects in Qatar. Our passionate managers go beyond being a traditional vendor and develop long term professional relationship with every client. This is the prime reason why our clients have chosen us as their vendor in successive projects from a long time. The team at ABRAJ guarantees precise execution of projects, optimal prices and services of the highest possible quality. We are not ready to compromise on the value given to customers at any cost and will place the power of the latest technological achievements in the best interests of the customers always.

CUSTOMER SATISFACTION IS OUR GOAL

Planning

What We Are Working On

Architecture

QUALITY POLICY

To uphold our commitment to quality to recognize its importance and to act accordingly in order to provide our customer with quality services on time.

ETHICAL POLICY

Ethical policies are guidelines for all employees of a company to do the right thing and behave at high standards at all times.

ENVIRONMENTAL HEALTH AND SAFETY POLICY

Do it safe, else never do it.
The company is committed to providing adequate control on environmental, health and safety risks arising from our work activities, both for our employee and those affected by the work.
We continuously work on improvement in this regards.

OUR ACTIVITIES

Design & Drafting Services

Much of our drafting services are focused on interior design firms and professionals. The initial communication design firm involves an understanding of project requirements along with setting up cad standards and templates. A good amount of information is reviewed at the design development stage including mood boards, equipment and hardware schedules. Past completed interior projects are also reviewed to ensure gains an understanding of its clients' requirements.
